<http://gaia.csus.edu/~nguyendh>

Office Hours: 10:30 AM - 12:00 PM – T Th.

CSC 20 Lab Information

- ❑ Lab assignments will be assigned usually on Monday (beginning of the week). Please read your lab assignment before attending a lab.
- ❑ All lab work as due by 5:00 PM – Friday (end of the week) unless otherwise stated.
- ❑ Lab assignments will be performed by individual student.
- ❑ Your labs (7-8 labs + a final project) are weighted about 35% of your final grade.
- ❑ There are pre-lab assignments to be checked/verified by your lab instructor. Each pre-lab is counted at 20% for each lab assignment.

CSC 20 Lab Information (Cont)

- ❑ For working with prelab assignments, please create an account with **codestepbystep** (<https://www.codestepbystep.com/>)
- ❑ This course requires concentration and focus!
- ❑ Out of respect for others in the room:
Cell Phones : off
- ❑ And, please refrain from:
browsing, facebooking, social networking,
texting, instant messaging, tweeting,
gaming, during lab ...

CSC 20 Lab Deliverables

- ❑ Please turn in your lab work in Canvas for grading. Be sure to read the deliverable section of your lab closely before turning your lab work.
- ❑ You are allowed to submit your lab 1 time. Thus, please be sure your work is complete before your submission.
- ❑ A submission will typically consist of (1) your full documented Java Source code (in text only) (2) PDF file contains answers to lab questions with images of program's output where applicable.
- ❑ Late work will not be accepted.
